## The Most Holy Trinity

May 31, 2026

God sent his Son to save us and to forgive us, making us his adopted children. Like the Trinity, may we be united in peace and love through the Spirit, through whom we offer God praise and glory.

## Pastor's Corner

### THE MOST HOLY TRINITY: UNION IN LOVE

Beloved Parishioners,

Happy feast of the Most Holy Trinity. Today we are celebrating the mystery of our faith. May the Blessings of the Trinity, the Father, Son and the Holy Spirit fill every corner of your house and bring joy, peace, and good health to all. This blessing unites us with the past, present, and future. We celebrate with joy, God the Father, the Creator, the Son, the savior and liberator and the Holy Spirit, the counselor and consoler. It is my earnest prayer that we may understand the Triune God as One-in the same moment in history Gen.1:22; 11:7; Matt.3:13-17, thus affirming what Karl Rahner, the German theologian, would say, "the economic Trinity is the immanent trinity and the immanent Trinity is the economic Trinity."

The Church's doctrinal teaching on the Most Holy Trinity is the heartbeat of our faith: God is One in Three divine Persons-the Father, the Son, and the Holy Spirit. "The Trinitarian experience is not an exotic one. It is embedded in each one of us. Life is a multilayered experience, but it does not destroy our uniqueness as a person with clear identity. We as individuals are made up of distinct attributes mind, soul, and body." This doctrine is not a cold teaching preserved in dusty books, but a life-giving communion of eternal love. The Most Holy Trinity, like three notes forming one perfect harmony, reveals that at the center of our existence there is a relationship and love that must be maintained. We should not be divided by any sense of superiority or inferiority parallels, but united in love as the Trinity is united.

Saint Augustine, in his *De Trinitate* written between 400-420 AD brought clarity to the understanding of the Trinity through various

analogies. One of these analogies is the "analysis of Love." Imagine what love feels like in the family, workplace, school, etc. I guess it feels good, and we naturally want to experience it always and are even eager to share with others. St. Augustine sees the Father as "the Lover," the Son as "the Beloved" and the Holy Spirit as "the Love of the Father and the Son." This analysis suggests that human love involves the one who loves, the one who is loved, and the love itself. Hence, the three- relational dynamics are essential for a better society.

We can also consider St. Augustine's "Principle of Appropriation," which reminds us that our distinct roles and efforts in the Church make us one family in Christ. The distinct works: the Father as the Creator, the Son as the Redeemer and the Holy Spirit as the Sanctifier reveal the mystery of their eternal love by attributing to one Person what is common to all Three.

Beloved Parishioners, today I wish the theological and philosophical abstracts and turn towards how the exemplary life of the Trinity can guide our lives, because God is love and love is strongest when it is shared. As God is love and shared loved with the Son and Holy Spirit let us consider sharing love more than hatred and resentment. Let us learn from the mystery of our faith which is rooted in love and live in love in our families and with people we encounter.

I pray that every sign of the cross we make, as a symbol of our faith in the Most Holy Trinity, will become a silent sermon of this mystery of the Godhead, Amen.

Fr. Tony Okolo C.S.Sp., V.F.

**Theme: God is Love and the Trinity Exists in Love and Unity**

Most Holy Trinity, Year A May 31, 2026

First Reading Exodus 34:4b-6,8-9, Second Reading 2 Corinthians 13:11-13, Gospel John 3:16-18

Today the Church celebrates the Solemnity of the Most Holy Trinity. The Solemnity simply means that there are three persons in One God. God is One and Three at the same time. It is a mystery and that is why it is called the mystery of the Trinity. A mystery does not mean something we cannot understand or does not have any glue about it but something we cannot fully grasp completely with our own limited head. Mystery is part of our religion and in fact every authentic religion has elements of mystery in it. Jesus revealed to his disciples the great mystery of our faith-the triune nature of God in three person and the inseparable union of the Father, Son and Holy Spirit. Jesus' mission is to reveal the glory of God to us, God the Father, God the Son and God the Holy Spirit and to unite us with God in a community of unbreakable unity and everlasting love. The ultimate end, the purpose for which God created us, is the entry of God's sons and daughters into perfect unity of the blessed Trinity.

However, what is most important in today's celebration is not the doctrine or the mystery aspect of the Trinity but God's dynamic and intimate friendship with us, through the three persons of the Trinity. It is this love and faithfulness of a friend in God the Father that we celebrate today. It is the sharing and caring of a friend in Jesus that we celebrate in the trinity also today. And it is the guidance and support of a friend in the Spirit that we celebrate today. The persons of the Trinity are

united in love, and God is a model for how he would want us to be, not fighting with one another or exploiting one another but loving and caring about each other.

It is good to be attentive or focus on the qualities of God as our friend: his love and faithfulness, his caring and sharing. If indeed we are created in the image of such a God and baptized into his family, then we must reflect in our lives the same qualities of friendship in our relationships with each other. If we can reflect in our own life's situation this aspect of unity of love that holds the Trinity together then we will be living the true life of the Trinity. Trinity may be riddle wrapped in a mystery, but there is the key and that key is friendship, which cannot only unravel the mystery but also helps to create a friendly world.

In summary, our celebration of the mystery of the Trinity would be more appreciated if we allow the love, sharing caring and support witnessed in the Triune God to be experienced and witnessed in our individual families and relationships with one another. Let us allow this unique expression of love and unity to guide our lives as we celebrate this great mystery of our faith.

Happy Sunday to you all as I pray for God's special blessings upon you and your individual families.

Collection**  
*Be a sign of  
hope.*

**F**rom his first appearance after his election in May 2025, Pope Leo XIV has called upon Catholics to live in peace and unity with one another within the Church and to share this invitation to peace and unity with the whole world. Throughout history, Catholics have shared Christ's mission with the world by proclaiming the Gospel and performing works of mercy that bring comfort to the poor and vulnerable.

For centuries, Catholics have joined in these works by supporting the Peter's Pence Collection, which helps to fund the Holy Father's mission to proclaim Christ's message in the world. Our gifts to the collection are "concrete signs of hope" that fulfill the two aims of Peter's Pence: "1) **To support the Holy Father's mission**, which extends throughout the entire world, from the proclamation of the Gospel to the promotion of integral human development, education, peace, and brotherhood among peoples: thanks also to the many activities of service carried out by the dicasteries, bodies and organs of the Holy See that assist him every day; and 2) **To support the numerous charitable works** in aid of people and families in difficulty, populations afflicted by natural disasters and wars, or who are in need of humanitarian assistance or support for development."
